Welcome/Introduction of Board Members and meeting Attendees

Addie Hollingsworth to discuss Technology Fundraiser (at a district and school level)

You Give We Learn fund raiser starts April 15th and is ran by parents. 6iPAD's in each classroom. Raising money for carts that would have 30 iPads on a cart; each elementary school will get 2 carts. Millard Foundation is raising \$200,000 and MPSF match the other \$200,000 for a total of \$400,000; they are asking the parents to raise \$200,000. This is strictly for elementary. This will free up funds to provide for middle and high schools. The fundraiser will end May 15th. MPSF started off by giving \$1.2 million to start 5 plus 1 for teacher in each classroom; also included were protective covers, teacher training and protective software.

State used to give incentives for # of teacher's with master's degrees; this is being taken away. \$2.5 million is being lost by Millard School district. Any cuts will be made by the Board

Dallas Wellencick – Program for those who need extra help – it reads to them. Something for visual spatial students as well. All subject areas are covered with the iPads. Students are very engaged.

Discussed idea of \$5,000 agreement among those who attended.
