

Buy a Brick to Celebrate 40 years of Gator Strong!

Grace Abbott opened its doors in 1981- that means the 2021/2022 school year marks Abbott's 40th anniversary!

Help us celebrate Abbott's legacy by buying a brick inside the school's front entrance. Your \$40 donation will help Abbott stay strong for the next 40 years and is a great opportunity to recognize someone who has impacted your family.

You pick how to personalize your brick, and an Abbott alum's dad will engrave it.

- Recognize your child's favorite teacher
- Thank a school staff member who made a difference for your child
- Parents who went to Abbott – add a brick for a teacher or principal from your childhood
- Donate a legacy brick for a school administrator who has helped make Abbott great
- Add your child or family's name to a brick for a fun way to remember your time here

To support Abbott by buying a brick, fill out this form or stop into the office. If you have questions, email Sarah at sarahruttle@outlook.com
